

CI 581 Issues in Education
Rubric for Aims of Education Paper

Assignment:

After reading Part I: The Aims of Education (Provenzo, 2006), write a paper (2-3 pages) that conveys what you contend should be the aims of education in the 21st century. Though this is a position paper, it needs to a well-developed and articulate statement of philosophy. (See Provenzo, pp. 19-48 for three scholarly examples.)

Adhere to APA style related to (a) reducing bias in language and (b) clear and concise writing.

Submit your paper to assignment drop box.
